The state of the union
Current mood: ☺ creative
Category: [News and Politics](#)

Isn't it sad we Americans have to print a photo of our most wanted dead Iraqi terrorist on the front page of our newspapers? Is this what qualifies as latest breaking news for the entire population of America?

That's sick. Crazy really. We ought to be questioning ourselves about publishing a photo of a dead man and how heroic that makes us feel knowing that we caused his death in a time of war.

My my the warm air is really getting to me! All I am doing is thinking about girls when I should be thinking about school. Ah.. I saw Xmen - the movie tonight. If only there was a plucky professor to spank me on the bottom for being so superficial. But no.

the joy!

I like to rock! And this week I am seeing Mindless Self Indulgence! They are like my favourite band! The vocals are great and the beat to die for. I am going to have so much fun with my girls friday nite. My question is: what do i wear? Jeans, blacki don't really know.

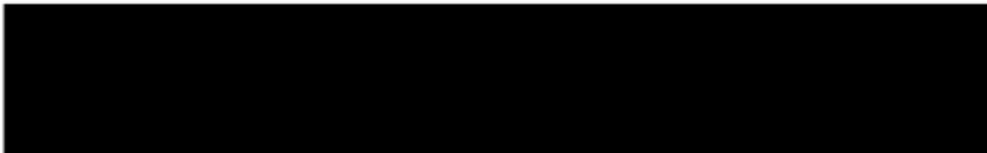

Anyway,back to the band. They all rock I totally want to #\$\$%^ the lead singer and maybe the keyboard player. I hope i will have a kickass time.

the artist

Dear Friends , Whoever said that modeling for a scuptor is easy is full of shit b/c it takes a long time in the nude. I sat for like 4 four hours in front of thirty people. It's all for the art. Some rich person can be happy they have a scupted piece of my butt. I finished the day with a run in Central.
