On 102005 at approx 0930hrs I assisted with the execution of a search warrant at [REDACTED], Palm Beach.

Initially I was assigned to enter the residence and conduct a sweep of the premises for safety purposes. I then accompanied CSEU tech Pavlik while she photographed the exterior of the house. Once this was complete I was assigned to search certain areas of the house with Det. Dawson as part of the search warrant.

We began in the garage, searching three Mercedes Benz vehicles, a Harley Davidson motorcycle and adjacent closets in the garage. Nothing of evidentiary value was located.

We then searched two closets off the kitchen area on the east side. These can best be described as pantry or storage closets. Nothing of evidentiary value was obtained.

A small office with adjoining bath was then searched. In the bath area I located a phone message book with recent messages. This item was seized as evidence. Please note this bath and shower area are not used as designed but are storage areas containing a variety of items to include a gun safe in the shower and assorted household items.

We then searched a bath area and closet at the base of the main stairs in the foyer. Inside the closet two massage tables were located as well as partial nude female photographs. These items were later seized as evidence. Nothing of evidentiary value was noted in the bathroom.

We then searched two bedrooms upstairs on the east side of the residence. Located in the bath room of the south bedroom was penis shaped soap. Located in the bedroom of the northern bedroom was penis and vagina shaped soap as well as an adult sex toy. These items were seized as evidence.

We then searched the pool cabana located in the south west corner of the property. Several photographs of nude females were seized as evidence.

I was then assigned to stand by with a person I believe was Douglas Schoettle. Mr. Schoettle was in the residence at the beginning of the search warrant. He was present during the warrant service and subsequent search. I stood by with him until the search was completed and I departed the residence. I had no conversation with him regarding the reason for our presence.

Regarding seized evidence, all items were photographed in place and then collected by CSEU personnel.

This concludes my involvement in this case.

On Thursday, October 20, 2005 at approximately 0936 hours, I assisted in the execution of a search warrant located at [REDACTED] Palm Beach, Florida, residence of Jeffrey Epstein. I was instructed by Case Agent Det. Joseph Recarey, to secure all computer and media related material from the residence.

Upon my arrival I was directed by Det. Recarey to a room designated as the Kitchen Staff Office. I observed a, Silver in color, CPU with the left side cover removed, exposing the CPU s hardware sitting on floor next to a glass type desk. The CPU had no discernable identifiers or features indicating a make or model. This CPU was powered off with the power cord not plugged in. The keyboard and mouse were atop the CPU. It should be noted that the CPU was not connected to a monitor, printer, or other media device. On the back Panel of the CPU, I observed an A/V card with RCA jacks attached. This type of hardware would allow audio and video to be downloaded onto the CPU s hard disk. The ends of the RCA jacks were unattached at the time of the search and no external camera was located within this room.

The CPU was located on the right side of a desk that held a flat panel LCD screen. The desk also held another keyboard and mouse, indicative of a second computer; however, no other computer was found. It appeared as though a second computer had been recently removed as the cables ends from the monitor, keyboard and mouse were in the same area. A further search of the room revealed no media storage devices, i.e. CD s, Floppy Disks, Zip Disks, etc. This type of media is commonly stored in an area where computers are placed, yet no media was found.

After completing a search of this room, I secured the CPU and turned all items over to the Evidence Custodian for future forensic analysis via a property receipt.

I was then directed by Det. Recarey to a room designated as the Garden Room, where I observed a wooden desk facing west. The desk held a flat screen LCD monitor, keyboard, mouse, media card reader and printer; however, no CPU was located. All of the cables were removed from an area where a computer had once been. A search of the desk area revealed no signs of any media devices.

Det. Recarey directed me to a third location designated as the Cabana room, which is detached from the residence and located just south of the pool. In the South East corner of the room, I observed an office type setting, with an L-shaped desk holding a flat screen LCD monitor, keyboard, mouse and printer; however, no CPU was located. All of the cables were removed from an area where a computer had once been. A search of the desk area revealed no signs of any media devices.

Det. Recarey directed me to a second detached structure located on the South East corner of the property. This area of this structure was assigned with single letters to identify a particular part of the room. In the office area, designated as Room B, I observed a powered on Dell Dimension 2350, attached to an LCD flat panel monitor. The screen displayed an open Microsoft Internet Explorer browser with URL address of http://home.bellsouth.net/. I observed no other active windows in the Start panel window and photographed screen. The power cord was removed from the back of the Dell CPU and I disconnected the cable modem to prevent remote access. At that time, the Dell CPU, marked with Serial Number 6WTVN21, was secured and turned over the evidence custodian for future forensic analysis via property receipt. I also located several media related items within Room B, which were recorded onto a property receipt and turned over the Evidence Custodians.

I then responded to a Bedroom designated as Room F, where I observed a white in color CPU marked Premio. The Premio CPU was in a computer desk which held a white CRT monitor, both of which were powered on. The CRT monitor displayed a message from Norton Antivirus software, warning of an expired subscription. I observed no other active windows in the Start panel window and photographed screen. I removed the power cable from the back of the Premio CPU and shutdown all other media. The Premio CPU, marked with Serial Number 2000091078, was secured and turned over the evidence custodian for future forensic analysis via property receipt. I also located several media related items within Room F, which were recorded onto a property receipt and turned over the Evidence Custodians.

This concluded my participation in the search of the residence.

On December 20, 2005, I contacted ASA Daliah Weiss in an attempt to subpoena the Epstein former houseman, Alfredo Rodriguez. Rodriguez, who resides in Miami, had eluded the process servers previously and was not served the investigative subpoena. A telephone message was left as she is not available during the week of 12/19/2005. I made contact with State Attorney Inv Theresa Wyatt and requested the same via telephone message.

I then researched the victim's SG cellular telephone subpoena data which had been received from a previous subpoena request. I analyzed the records which depict several calls from [REDACTED]. The telephone calls start on February 6, 2005 at 12:49 pm.; the same day which the victim and the victim's father stated the incident occurred at Epstein's house. The first incoming call was from [REDACTED] residence at [REDACTED]. The second incoming call from [REDACTED]

cellular phone [REDACTED] occurred at 1:02 pm. The call durations were one minute or less. The time frame was within thirteen minutes apart. It should be noted that [REDACTED] residence was in close proximity to the victim's. The next call occurred at 5:50 pm when the victim telephoned [REDACTED] residence. Several calls were made after the above mentioned calls both incoming and outgoing to [REDACTED]. Further analysis showed no telephone calls to either [REDACTED] cellular telephone or [REDACTED] residence were registered prior to February 6, 2005.

Additionally, I also conducted an analysis on the telephone calls from [REDACTED]. The subscriber information confirmed that the number is registered to Paul A Lavery from Hialeah, Florida. The address was crossed referenced to the Office of Kiraly and Riley Private Investigators. I researched the web page www.rileykiraly.com which also showed various cases in which they assisted. I also located another web site under www.coralspringssparklandrotary.org in which Mr. Riley attended a Miami Rotary meeting and confirmed Atty. Roy Black is among his clientele.

The telephone calls revealed Lavery had telephone contact with [REDACTED] and [REDACTED] either just after I attempted to interview them, or just prior. A background was conducted on Lavery which revealed he holds a current Private Investigator License. A criminal arrest record revealed he had been previously arrested for possession of cocaine and solicitation of prostitution.

I also researched the girls using www.myspace.com. This web site is a new social networking service that allows members to create unique personal profiles online in order to find and communicate with old and new friends. The site allows one to establish your own myspace.com page and decorate the page any way one wishes. I found the following people have myspace sites: [REDACTED] and [REDACTED].

I received a Cingular Wireless packet which contained a CD which contained the results of the subpoena request for verbatim calls on [REDACTED]. An analysis will be conducted in the near future on the phone numbers called.

[REDACTED] I located the Simon Youth Foundation. I located [REDACTED]
[REDACTED] inside the foundation and informed her that I was
investigating a case against Jeffrey Epstein and knew she had been at
the house. [REDACTED] started to cry and advised she had put that part
of her life behind her. I explained that although she is seventeen
years old I needed to inform her parents that she would be
interviewed. She provided her home telephone number. I attempted
contact and left voice mail messages at the house to speak with her
parents.

Det. Caristo and I then located [REDACTED] at her residence located
at [REDACTED] in West Palm Beach. I attempted to interview her
about Jeffrey Epstein. She advised she is so in love with Jeff
Epstein and would do anything for him. She further explained that she
would not speak with us about him either negative or positive. She
asked us to leave her property. I informed her that although she did
not wish to speak with us, I had sufficient information at this point
in the investigation to know she was at Epstein's house and provided
girls to Epstein to work. I also explained that prior to our arrival
at her residence I had telephone contact with her father, [REDACTED]
[REDACTED] who was told she would be interviewed. [REDACTED] is
currently seventeen years old and as a juvenile, parental notification
would be required. We then left the area and returned to the police
station.

While at the police station, I left another telephone message for
[REDACTED] parents. I began an analysis of [REDACTED] Cellular
telephone. The telephone number [REDACTED] is assigned to [REDACTED]
[REDACTED] and the financially responsible party is Jeffrey Epstein of [REDACTED]
[REDACTED] in New York City, New York. The time frame which was
subpoenaed was September 2005, through October 2005. There were
eighty seven pages of calls made either to the cell phone or from the
cell phone. The local (561) numbers were analyzed. A spread sheet
was prepared and placed into the attachment file of who was called.

The unknown numbers were researched using FoneFinder.com and subpoenas
were requested to determine subscriber information. This was done to
identify additional victims or witnesses. The analysis revealed that
[REDACTED] had called the victim/witnesses frequently when Epstein was in
the Town of Palm Beach to "work." This confirms what the girls
interviewed had previously stated. [REDACTED] would notify them when
Epstein was in town and their willingness to "work." The CD was placed
into evidence.

Center from Cingular Wireless for telephone number [REDACTED]. This was the telephone number for [REDACTED] during the time frame when the victim, [REDACTED] was brought to the Epstein house to "work." An analysis of the phone records, of all incoming and outgoing calls, showed that on February 6, 2005, the day the victim, [REDACTED] was brought to the house, [REDACTED] first called [REDACTED], Epstein's assistant, at [REDACTED] at 12:50 pm (EST). The next call was made to Epstein's house in Palm Beach, at 12:52 pm (EST). The following call was made to the victim, [REDACTED] at 1:01 pm (EST) and at 1:02 pm (EST). This confirms the information provided by the victim and victim's father. I photo copied the records and enlarged the page 8 of 10 to show the calls made by [REDACTED] on February 6, 2005.

To this date, I have not heard from [REDACTED]'s parents. I will attempt to establish contact with them during the evening hours.

I received a package from Atty. Guy Fronstin, which was hand delivered at the police station. Within the package, was a letter from Alan Dershowitz, and two www.myspace.com profiles. The profiles were that of [REDACTED] and [REDACTED]. MySpace.com is a social networking service that allows members to create unique personal profiles online in order to find and communicate with old and new friends. This package was in response to a previous meeting in which Mr. Dershowitz called to assist in the investigation in providing any additional witnesses such as house employees who have been reluctant to speak with law enforcement.

I reviewed the profiles Mr. Dershowitz enclosed. Upon reviewing her friends' comments section from Myspace, most of her good friends sent messages to establish contact and invite her to go out.

I then reviewed [REDACTED] web blog which was provided by Mr. Dershowitz. Ms. [REDACTED] designed her blog to be [REDACTED]. Her blog states that her interests include music, theater and weed (Marijuana). I reviewed her packet in which [REDACTED] declares her love for her live-in boyfriend. She also describes using marijuana with her boyfriend [REDACTED].

The letter Mr. Dershowitz sent advised he was looking into the allegation that one of the private investigators used by the private attorneys of Epstein, attempted to impersonate or state that they were police officers from Palm Beach. Mr. Dershowitz advised that the investigators used to interview [REDACTED] had "quite a distinct speech impediment", did not claim to be nor did they impersonate themselves as a police officer. This package was sent to both ASA Lana Belohlavic and ASA Daliah Weiss at the State Attorney's Office.

During a sworn taped statement, Mr. Rodriguez stated he was employed by Jeffrey Epstein for approximately six months. He was referred by associates and his employment lasted the months of November 2004 through May 2005. His responsibilities as house manager included being the butler, chauffeur, chef, houseman, run errands for Mr. Epstein and provide for Epstein's guests. Rodriguez advised he had very limited contact with Mr. Epstein. If Rodriguez needed to relay a message to Mr. Epstein, he would have to notify Epstein's secretary "Leslie" in New York City, who would then notify Epstein's personal assistant, [REDACTED] who would relay the message to Epstein. Rodriguez stated Epstein did not want to see or hear the staff when he was in residence.

I asked Rodriguez if Epstein received many guests during his stay in Palm Beach. Rodriguez advised he had many guests. I asked specifically about masseuses coming to the house. Rodriguez stated he would have two massages a day. Epstein would have one massage in the morning and one massage in the afternoon everyday he was in residence. Rodriguez stated he would be informed to expect someone and make them comfortable until either [REDACTED] or Epstein would meet with them.

Rodriguez stated once the masseuses would arrive, he would allow them entry into the kitchen area and offer them something to drink or eat. They would then be encountered by either [REDACTED] or Epstein. They would be taken upstairs to provide the massage. I asked Rodriguez if any of the masseuses appeared young in age. He advised he didn't ask their ages but felt they were very young. Rodriguez stated they ate like his own daughter who is in high school. Rodriguez stated they would eat tons of cereal and drink milk all the time. Rodriguez stated the girls that would come appeared to be too young to be masseuses. He stated one time under Epstein's direction, he delivered a dozen roses to [REDACTED] High School for one of the girls that came to provide a massage. He knew the girls were still in high school and were of high school age. I asked Rodriguez about the massages. He felt there was a lot more going on than just massages. He would clean Mr. Epstein's bedroom after the alleged massages and would discover massager/vibrators and sex toys scattered on the floor. He also said he would wipe down the vibrators and sex toys and put them away in an armoire. He described the armoire as a small wood armoire which was on the wall close to Epstein's bed.

Epstein ordered Rodriguez to go to the Dollar rent a car and rent a car for the same girl he brought the roses to, so that she could drive her self to Epstein's house without incident. Rodriguez said the girl always needed rides to and from the house. Rodriguez referred himself as a "human ATM machine" and was ordered by Epstein to maintain a minimum balance of \$2,000 dollars on him at all times. When a girl would come by the house and Mr. Epstein was either not in residence or was not at home at the time, Rodriguez was to provide the girl (masseuse) several hundred dollars for their time and to notify Epstein the amount they were given. Epstein also ordered Rodriguez to

Rodriguez stated the amount of girls that came to the house was approximately fifteen. Each of the girls knew each other and all seemed to know at [REDACTED] High School who Mr. Epstein was. When asked to identify these girls, Rodriguez stated he could not at the moment but knew he wrote their names down on a journal he kept during his employ with Mr. Epstein. He kept a journal in the event he needed to explain either to Mr. Epstein or his assistants what was done at the house or who visited the house as he stated he was in-charge of Mr. Epstein's personal security while in Palm Beach. I informed him I would need to view this journal to which he stated he would research the book and contact me to provide the book. The interview was concluded and left the area. I returned back to the police station where the micro cassette was placed into evidence. At approximately 7:20 pm, I was notified Rodriguez located the journal and would call me on January 5, 2005 to provide the journal.

On January 5, 2006, I attempted to meet with Alfredo Rodriguez to recover the folder or journal in which he kept the notes that were given to him during his employ with Mr. Jeffrey Epstein. He kept this folder to justify what he did during his employ should the need arise to justify what occurred with the monies he had to keep or any questions as to the petty cash he withdrew from the household account from the bank. At approximately 10:00 pm, I attempted contact with Mr. Rodriguez and discovered he was assisting his wife at her place of employment and would not be able to meet with me. Mr. Rodriguez stated he would meet with me on January 6, 2006, in Broward County, in the morning hours.

On January 6, 2006, at approximately 9:00 am, I received a telephone call from Mr. Rodriguez who advised he had the file in hand and would be traveling northbound to meet with me in Broward County. At 10:50 am, I met with Alfredo Rodriguez at the parking lot of Bank of America in Boca Raton on Yamato Road and Military Trail (known as the Polo Center). Rodriguez produced a green folder which contained documents, a note with Mr. Epstein's stationary with direction to deliver a bucket of roses to [REDACTED] High School after [REDACTED] high school drama performance. Also in that same note was direction to rent a car for [REDACTED] and direction to extend the rental contract. I returned to the Palm Beach Police Station and placed the folder into evidence.

On January 9, 2006, Det. Caristo and I traveled to [REDACTED] in

During the statement, [REDACTED] advised that when she was fifteen or
sixteen years of age, she was taken to Jeffrey Epstein's house by her
associate, [REDACTED]. [REDACTED] stated this occurred late May 2004
or early June 2004. She was told she could model lingerie for money

He introduced himself and brought them into the kitchen so that the

had a large bathroom. She observed a large style shower, sauna and
there was a large massage bed also in the bathroom. Epstein entered a

After the massage, Epstein ordered his houseman at the time to drive the girls home. The employee was to drop off the girls at their house and watch them go inside their house.

[REDACTED] could not remember who the houseman was. She stated Epstein and his assistant [REDACTED] would call her at her father's house to arrange for her to come and "work." Each time she went she was reminded not to speak of what happened at the house and that she would be contacted again. She began to purposely miss the calls when either [REDACTED] or Epstein would call her. She once brought a friend, [REDACTED] unknown last name, to work for Epstein. She was paid \$200.00 for bringing [REDACTED]. She stated she no longer returned to work for Epstein. She also stated that she wanted to notify the police of what happened at the house. [REDACTED] stated she was scared of what could have happened to her or her family if she notified authorities.

On January 10, 2006, I received the results from the subpoena from BellSouth Telecommunications for telephone number [REDACTED]. The number is assigned to Mr. [REDACTED]'s father in Palm Beach Gardens. I also received the results from Western Union which confirmed the money order sent to [REDACTED] from Jeffrey Epstein in New York City. The amount of \$222.00 was charged to Epstein's credit card so that [REDACTED] could receive \$200.00 in Royal Palm Beach. three years old when she met Epstein, anything that happened was between two consenting adults. I explained to her that she was not in any trouble however as part of this investigation, I needed to ask certain questions. [REDACTED] stated that there were times that Epstein would ask her to perform during the massage. He would instruct her to rub his nipples as he masturbated himself. [REDACTED] stated she felt "grossed" about the behavior but as she was getting paid, she just continued. [REDACTED] also advised she would on occasion perform the massages naked. Epstein would on occasion, utilize the vibrator/massager on her vagina area when she performed the massages. [REDACTED] explained that Epstein never exposed himself to her as he maintained himself covered under the towel he would be wearing. When Epstein would masturbate he would be covered.

I asked if [REDACTED] ever received any gifts, or any gratuities from Epstein. [REDACTED] advised aside from being paid well, she advised Epstein took care of her tuition from [REDACTED] College. She received a rental car for a week when her scooter broke down.

Additionally she received other gifts from Epstein. Epstein also recommended her to another client who resides at Breakers Row in Palm Beach. The client she was referred to was "Glenn" unknown last name, and his wife, who she provided a massages to. The statement was concluded and placed into evidence upon our return to the Palm Beach Police Department.

While at the police station, I researched Florida tag [REDACTED] which was also previously seen on the property when there was physical surveillance being done at the property. The vehicle is registered to [REDACTED] of Lake Worth, Florida. Researching Mr. [REDACTED] and the vehicle revealed that his daughter, [REDACTED] had been driving the vehicle and was cited for unlawful speed in Lake Clark Shores. The vehicle is a tan, Chevrolet Camaro, 2-door. I researched [REDACTED], date of birth, [REDACTED] resides at [REDACTED] in [REDACTED]. [REDACTED] has a my space page called www.myspace.com/[REDACTED]. In her web page, shows various photos of Eaton photographed at a beach. An interview is forthcoming.

A review of the video disks which was extracted at the Palm Beach County Sheriff's Office Computer Crime Unit revealed that only one hidden camera was functional at the time. Several images of Epstein working at his office were seen. Additional footage of [REDACTED] and [REDACTED] was seen. There was other footage of females seen. The identity of the females is unknown at this time, until such time as I meet with certain females to show the video footage to confirm if, in fact, it is them on the video. A Grand Jury Session was requested during the month of February 2006, in which all the girls that had been interviewed would have been called to testify before the Grand Jury to seek an indictment against Jeffrey Epstein. Due to subsequent meetings with the State Attorney's Office and Defense Attorney Alan Dershowitz the Grand Jury was postponed until a later time. Dershowitz had provided a package of material on the main victims in this case in which they appear on myspace.com and speak about alcohol use and some marijuana use. The State Attorney's Office wanted time to review the material.

I requested additional subpoenas from the State Attorney's Office in which I requested information from Dollar Rent a Car and Jet Aviation. The information requested from Dollar Rent a Car was for the rented vehicle by Alfredo Rodriguez while under the employ of Epstein for one of the victims. The other subpoena requested was for Jet Aviation for dates and times when Epstein's planes were in Palm Beach County.

I continued to research other names that were acquired either from interviews or intelligence gathered during the investigation. I

located [REDACTED] in Royal Palm Beach. I responded to [REDACTED] in Royal Palm Beach. During the interview, [REDACTED] stated she knew I would be speaking with her. [REDACTED] stated she was first introduced to Epstein when she turned eighteen years old. [REDACTED] stated she was sure of her age as it was her senior year in [REDACTED] High School. She advised she was brought there to make money and was told she would have to provide a massage to this Palm Beach guy. She remembered she met Epstein and his assistant Sarah in the kitchen area. She stated she was taken by one of her friends, [REDACTED]. She stated she went upstairs with [REDACTED] while Epstein got ready for the massage. He exited his bathroom naked and [REDACTED] turned around. Epstein asked her if being naked offended her. [REDACTED] stated it made her uncomfortable. Epstein then put on a towel and lay on the table. [REDACTED] stated she rubbed his back and feet. She stated she had no massage training or experience. [REDACTED] stated during the massage, Epstein attempted to touch her buttocks. [REDACTED] pulled away as he touched her buttocks. She told him again she was uncomfortable with him touching her. Epstein then cut the massage short and became upset with her. Epstein paid her \$200.00 for the massage and told her to leave the house. [REDACTED] never returned to the house. She did advise of one time she went with [REDACTED] however she waited in the car for [REDACTED] as she did not want to go into the house. At the conclusion of [REDACTED] visit with Epstein they left the area. [REDACTED] stated she had heard from other girls that have gone to the house that Epstein now required them to do the massage naked and allow him to touch them in their private areas for monies. The interview was concluded as [REDACTED] did not have any other information to provide.

I then learned from the original victim, [REDACTED] the defense attorney had learned of her identity. I spoke with the father of the victim, who stated there has been a private investigator on his house photographing his family and chasing visitors who come to the house. He provided a Florida License of [REDACTED] This vehicle is registered to Ivan Robles of West Palm Beach. Robles is a private investigator intern who is licensed by the state. I informed the State Attorney's Office of the above information.

I received the Grand Jury subpoenas to be delivered to three victims for a Grand Jury session to be held on April 18, through April 20, 2006.

10, 2006, at approximately 2:30 p.m., I served [REDACTED] at her residence in Royal Palm Beach. The subpoena was given to her mother, [REDACTED].

I learned through one of the victims [REDACTED] that she was personally contacted through a source that has maintained contact with Epstein. The source assured [REDACTED] she would receive monetary compensation for her assistance in not cooperating with law enforcement. [REDACTED] also stated she was told, "Those who help him will be compensated and those who hurt him will be dealt with." I told [REDACTED], that tampering with a witness/victim is an arrestable offense and very serious. I asked her who approached her during this encounter. [REDACTED] originally was reluctant to provide the name of the person who approached her to offer her not to testify because she felt they were still friends.

On April 11, 2006, Det Dawson and I traveled to Tallahassee, Florida and met with the victim, [REDACTED]. [REDACTED] identified [REDACTED] W/F, [REDACTED] as the person who approached her in Royal Palm Beach while she was home during Spring Break in March 2006. [REDACTED] also stated she did not want to pursue the intimidation charges on [REDACTED]. [REDACTED] was concerned that the defense attorney was given a copy of the report as certain things she had told me in confidence were repeated to her by [REDACTED]. Prior to our departure, the victim was given a copy of her subpoena for the Grand Jury which was scheduled to commence April 18, 2006.

Upon our return from Tallahassee, I notified the State Attorney's Office of what was told to me. I also notified them that the subpoenas were delivered to the witnesses and they would be calling for arrangements for the date and time needed for the Grand Jury. I spoke with ASA Weiss and informed her of the possible intimidation by the defense.

On April 13, and April 14, 2006 I attempted contact on several occasions with ASA Weiss and ASA Belohlavic to ascertain when the victims needed to report for Grand Jury testimony. Messages were left on their voicemail. On April 17, 2006, during the hours of 9:00 am and 11:30 am, I again left messages for ASA Weiss and ASA Belohlavic for either of them to return my call as I had not heard from the State Attorney's Office as to the time and date of the Grand Jury.

At approximately 12:30 pm, I went to the State Attorney's Office and located ASA Weiss and ASA Belohlavic in their offices. I entered ASA Belohlavic's office who informed me that she was going to return my call. She explained that an offer was made to the defense, Atty Guy Fronstin and Atty Alan Dershowitz. The offer is 1 count of Agg Assault with intent to commit a felony, five years probation, with adjudication withheld. Epstein would have to submit to psychiatric/sexual evaluation and no unsupervised visits with minors. When asked about the all the other victims, ASA Belohlavic stated that was the only offer made as to one victim, [REDACTED]. ASA Belohlavic cell phone rang and went to voice mail. She checked her voice mail and played the message on speaker. The caller identified himself as

Atty Guy Fronstin and acknowledged the deal made between them. Fronstin stated in the message, he spoke with his client, Jeffrey Epstein, and agreed to the deal. Fronstin asked to call off the grand jury as they would accept this deal. Belohlavic stated a probable cause would be needed to book Epstein in the county jail and would let me know as to when it would be needed. I explained my disapproval of the deal and not being consulted prior to the deal being offered. However I expressed that was only my opinion and the final approval would come from the Chief of Police. She explained to have Chief Reiter call Barry Krisher about the deal. I left the area and returned to the police station where I briefed the Chief about the deal offered.

I checked my voice mail messages and discovered a message from [REDACTED] stepmother for the victim [REDACTED]. She was calling because the State Attorney's Office still had not returned any of her calls as to when they are needed for this case. I then called ASA Belohlavic's office and left messages for her to call the victims on this case and explained to them what the State Attorney's Office had done.

On April 17, 2006, at approximately 4:30 pm, State Attorney Investigator Tim Valentine called to officially notify me of the cancellation of the Grand Jury. He requested I contact the victims that had been served to appear, to notify them of the cancellation. I advised Valentine that as this Grand Jury session was called based on the State Attorney's Office decision to have the victims heard by the Grand Jury that I felt it was the States Attorney's Office responsibility to contact the victims and advise them of the reason they were no longer needed.

On May 10, 2006, information was received that Epstein's associate, Leslie Wexner, The Limited Inc, CEO's, plane had arrived in West Palm Beach, PBIA. The plane, a Gulfstream 4 bearing a N900LS registration, was on the tarmac at Galaxy Aviation. As Epstein had recently acquired the services of a new attorney, and the fact that Epstein's house is currently under remodeling, it was believed that Epstein may be in Palm Beach. I conducted physical surveillance at the residence, 358 El Brillo Way. I observed a large construction crew conducting remodeling at the house. The contractor, David Norr, was observed driving a Ford Explorer, white in color. The vehicle has a Florida registration of [REDACTED]. Norr left Epstein's house and traveled north on County Road. Det Caristo and I conducted surveillance on Norr. Norr traveled to several construction sites and checked on certain jobs. Surveillance was discontinued on Norr and Det Caristo and I traveled to Galaxy Aviation. I observed the white plane with a blue stripe along the body and tail of the plane; the tail number was visible on the bottom of the tail, closer to the body of the plane. We maintained visual surveillance on the plane until 4:57 p.m., when a caravan of Cadillac Escalades drove onto the tarmac. We observed several people exit the vehicles and discovered that they were part of the executive team for Limited Inc. The executives were in Palm Beach County for an executive meeting for the day. They arrived in Palm Beach County on May 9, 2006 at 9:30 pm and were scheduled to leave on the 10th at 5:00 pm.

On May 12, 2006, I met with ASA Lana Belohlavek at the State Attorney's Office. She explained that her boss, Barry Krischer, was requesting this case be taken to the Grand Jury again. I explained to her I had requested arrest warrants for Jeffrey Epstein, [REDACTED], and [REDACTED]. I asked that she either issue the warrants or direct file, as so much time has elapsed since the original request to the Grand Jury. I explained that the Palm Beach Police Department had concluded the case in December of 2005 and has been waiting for the case to go forward. Belohlavek stated the original offer was again offered to the new defense attorney. She was waiting for their answer by Friday May 19, 2006. She stated she would advise me of the answer.

On May 22, 2006, I received several phone calls throughout the day from Mr. [REDACTED] who stated he had been followed aggressively by a private investigator. Mr. [REDACTED] stated that as he drove to and from work and running errands throughout the county, the same vehicle was behind him running other vehicles off the road in an attempt not to lose sight of Mr. [REDACTED]'s vehicle.

I explained to him as Mr. Epstein had retained new legal council it was possible it would be new private investigators following him to observe his daily activities. I also explained to him that there was a meeting scheduled with ASA Lana Belohlavek and Attorney Jack Goldberger at Mr. Krischer's office scheduled on June 1, 2006 at 9:00 am. I attempted to call ASA Lana Belohlavek to inform her of the private investigators following Mr. [REDACTED] however; she was on her vacation during the week of May 22 through May 30 2006.

On May 23, 2006, I received other phone calls from Mr. and Mrs. [REDACTED] who advised they were able to acquire the private investigators license plate information. The subject following them was again driving very aggressively and caused Mrs. [REDACTED] to run off the road. Mrs. [REDACTED] stated the vehicle is a green Chevy Monte Carlo bearing Florida tag [REDACTED]. The vehicle is registered to Zachary Bechard of Jupiter Florida. Bechard is employed with Candor Investigations from Jupiter, Florida. Bechard is a licensed Private Investigator in the State of Florida.

Since the discovery of the threat made against one of the victims in this case [REDACTED], I requested subpoenas for all calls made to and received from [REDACTED] during the month of March 2006 for her cell phone and home phone. I had confirmed with [REDACTED] University the exact dates of Spring Break for 2006. The Spring Break was from March 4, 2006 through March 12, 2006. I received a subpoena from Sprint/Nextel with all calls made during the month of March 2006. I reviewed the 989 calls made and received during the month of March 2006. I observed on March 7, 2006, [REDACTED] made and received thirty five calls during that day.

On March 7, 2006, at 11:03 am, Beale made a call to the victim [REDACTED] which lasted 492 seconds (8 minutes and 2 seconds). The victim then returned the call at 11:16 am which lasted 6 seconds. The victim then made contact with [REDACTED] at 11:22 am for 877.2 seconds (14 minutes and 6 seconds). These sequences of calls were consistent with what the victim had described to me on the date of the intimidation. Immediately after speaking with the victim, [REDACTED] makes a call to [REDACTED], Epstein's assistant, which lasts for forty-eight seconds. A call is then immediately received, a telephone number registered to a Corporation affiliated with Jeffrey Epstein located at 457 Madison Ave in New York. An extensive computer check revealed 457 Madison Ave is a business address in which Epstein has his corporations assigned to. Epstein had corporation attorney, Darren Indyke, register the businesses and register himself as an agent. I also observed Epstein has his El Zorro Ranch Corporation, New York Strategy Group, Ghislaine Corporation, J Epstein and Company and the Financial Strategy Group registered to this same address. Finally, a third call is received by [REDACTED] at 12:02 pm from the same corporate number which lasts 12 minutes and 1 second.
