Effective in the second quarter, we will be implementing a new pricing procedure with regard to your statements. In cases where we are unable to obtain a current price from an internal or external source for a particular security, the price column on your statement may indicate "unpriced". Although such securities may have value, please note that if a security is indicated as "unpriced" it will not be included in your overall current market value as reflected on the statement.

No market value or activity to report during this period

Please see disclosures located at the end of this statement package for important information relating to each J.P.Morgan account(s).
