**Subject:** WM End of Day Updates 4/25/2019  
**Attachments:** Daily Case Tracker (WIP).xlsx

Hello Team,

Please see the attached tracker. We are currently working on updating it to reflect suggested changes by senior management. I have added all the clients from Oliver's OTC spreadsheet, but please review the cases in the High Priority tab and provide feedback of what needs to be added and removed. We will continue to clean up this tracker in the coming days.

Thank you,

Kind Regards,

Jamaal Bushara
