

I am writing to you today to bring attention to a rejected KYC Case#**01882073**. I see this case was initially launched by Cynthia in Jan, this year and was rejected in May.

I also see that this case has been assigned to you after rejection. Could you advise if you are still working on this case? If there is anything I can help you with this case, please let me know.

If you are not working on this case, I am happy to take over and work on the rejection points. In this case, request you to assign this case to me, thanks.

Kind Regards,
