Notice of Customer Identification Policy

Important Information

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who establishes an account, investment or other business relationship with a financial institution. This means that we will ask for your name, address and other information that will allow us to identify you. We may also ask to see identifying documents such as a certificate of formation or good standing (legal entities) or a passport or other photo identification (individuals).

3rd EU Notice

Governmental rules have also broadened the scope of the Bank's obligations to aid in the fight against money laundering and terrorist financing; these rules call for an active involvement of both asset management firms and their clients. For new and existing clients we currently have a legal obligation to ask our customers questions regarding their identities, addresses, source of funds and, if necessary, legal representatives, authorized signatories, beneficial owners or control structures and to collect requisite documentation to substantiate the information. Also, enhanced anti-money laundering requirements require that should any of the above personal or institutional information change, our clients would be obliged to immediately notify us of the change(s) and provide us with relevant documentation to verify these changes.

ATM/Debit Service

You agree that the retention or use of the ATM/Debit card constitutes acceptance of the terms and conditions of the Cardholder Agreement contained in the Terms and Conditions of Deposit Accounts.

You understand that DBTCA may, but shall not be required to, seek verification of your verbal, facsimile or e-mail instructions by call back. In case of doubt, DBTCA may in its sole discretion refuse to execute your Verbal Instructions or any part thereof, without incurring any liability.
