## Notice of Customer Identification Policy

### Important Information

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who establishes an account, investment or other business relationship with a financial institution. This means that we will ask for your name, address and other information that will allow us to identify you. We may also ask to see identifying documents such as a certificate of formation or good standing (legal entities) or a passport or other photo identification (individuals).

### Information Sharing

You authorize Deutsche Bank to share information about you and your Account as set forth in our Privacy Policy, including any disclosures that (1) Deutsche Bank believes are required by applicable law and regulations that apply to Deutsche Bank or others, including disclosure of information about you and your Account to any government agency or self-regulatory body on request, (2) is necessary or appropriate in connection with Deutsche Bank's provision of services under this Agreement, or (3) is requested by a financial institution, financial intermediary, or other third party in order to assist such person with compliance with law applicable to such person in connection with services provided to you or on your behalf.

### 3rd EU Notice

Governmental rules have also broadened the scope of the Bank's obligations to aid in the fight against money laundering and terrorist financing; these rules call for an active involvement of both asset management firms and their clients. For new and existing clients we currently have a legal obligation to ask our customers questions regarding their identities, addresses, source of funds and, if necessary, legal representatives, authorized signatories, beneficial owners or control structures and to collect requisite documentation to substantiate the information. Also, enhanced anti-money laundering requirements require that should any of the above personal or institutional information change, our clients would be obliged to immediately notify us of the change(s) and provide us with relevant documentation to verify these changes.

### ATM/Debit Service

You agree that the retention or use of the ATM/Debit card constitutes acceptance of the terms and conditions of the Cardholder Agreement contained in the Terms and Conditions of Deposit Accounts.
